Re: United States v. Diaz Mata et al
Docket No.: 22-CR-00548-JLR

Your Honor:

Greetings.

I represent Jose Diaz Mata in the above-captioned case. I write to request modification of Mr. Diaz Mata's conditions of release on bond.

As noted by his USPTO Marlon Ovalles, Mr. Diaz Mata remains in full compliance with his conditions and has become steadily employed since he was released on bail.

Mr. Diaz-Mata has voluntarily enrolled in and has continuously attended the Abraham House ATI program since his arrest and is in full compliance as documented to the Court and Government at every status conference.

United Staes Pre-Trial Services Officer Ovalles informs that based on his sustained compliance, a modification of removal of the curfew enforced by location monitoring is appropriate.

The Government by AUSA Matt Shahabian defers to pretrial.

I thank the Court for its consideration.

Respectfully submitted,
/s/ Oliver S. Storch, Esq
Oliver S. Storch, Esq.

The request to modify the conditions of release is **GRANTED**.
The curfew enforced by location monitoring is hereby removed
as a condition of release for Defendant Jose Diaz Mata.

SO ORDERED:

United States District Court Judge
